"From The Publisher's Desk"

By Heather Roche

Welcome to the July 2009 issue of Disabled Dealer Magazine Mid-Atlantic Region! With Independence Day here, summer is now in full-effect. We hope you are getting out there and enjoying all the area has to offer.

Speaking of getting out there to see what the area...and life...has to offer, we encourage you to read the inspiring letter we received from Ted Kucowski. The letter is featured on page 8 of this month's issue.

As you know, over the past several months, we've been telling you about the exciting launch of our new Disabled Dealer Mid-Atlantic website; www.dadealer.com.

We are continuing to be very pleased with the number of visitors to our new site, as well as the number of people who have signed up for an FREE e-subscription to the magazine!! If you haven't done so already, check it out today!

We leave you with this thought from author Ray Bradbury; "Life is trying things to see if they work." Enjoy summer! Enjoy life!
